HOT NEWS

- You may have noticed the lack of the cleft stick publication last week. We have now decided to only publish every two weeks as the content is thinning out and we would like to keep this publication meaningful to all.
- Licence period with KZN has closed. We have returned all uncollected licences to them for a refund as the club is required to purchase all up front. Should you still require a licence, please allow us sufficient time to collect and pay for these from KZNA.
- Membership renewal - those who have not informed us of their intention renew membership stand a chance of losing their licence numbers. You may have had these for many years, but if not paid for, there cannot be any guarantee that these can be retained for you.
- The Adidas Savages Time Trial takes place tonight 3/3/2009. Prizes are on offer
- We host the Brooks Sportszone time trial league on the 17th March. We need assistance with marshals as well as your athletic prowess on the road
